Dear Sir or Madam,

Happy New Year from the Auditors Association!

It is that time of year for the solicitation of vendor membership and also requesting sponsorships for our association conference events. The Association officers would like to inform you of the activities we have planned for this year and the details of what the differing levels of Membership and what opportunities you have for Sponsorship beyond just membership dues.

Traditionally the sponsorship help to defray the cost of group activities at our conferences. We have however found that having additional sponsors for specific events help to offset the cost to the Association so that we can continue with reasonable conference registration fees and still provide time away from the office for education as well as fun.

We are offering differing levels of vendor membership for 2012. Listed below are the benefits of each of these levels. And beyond that are the events and requests for assistance to Sponsor those events.

Copper Membership - \$100.00
BENEFIT
- Listing in Membership Directory (printed every 2 years with the next printing in 2013) and
- Name mentioned on vendor's page of Auditors' Association website

Bronze Membership - \$300.00

If you would like to help with funding the events that the Association has planned for 2012 please mark which event you can help to sponsor and the amount you can help with beyond what you are supporting in membership dues.
